

## **PROCEEDINGS OF THE RESEARCH - EXTENSION INTERFACE LINKAGE FOR THE MONTH OF JUNE ON DT. 20.06.2018**

The monthly R-E linkage meeting was held on dt.17.07.2018, 10.30am in the chamber of Senior Scientist and Head, KVK, Deogarh. Deputy Director of Agriculture, Sri Babaji Charan Behera presided over the meeting. Discussion was held on the proceeding and action taken of the last meeting. Following discussions are made in the meeting.

1. Due to the weakness of monsoon, farmers will be advised to restrict their paddy seed sowing till fresh arrival of the monsoon. Priority should be given to transmit this information to farmers through VAWs, Krushak Sathi, mKisan portal & all other available means.
2. The newly joined Head of KVK posed faith on line department officers to work collaboratively for the improvement the rural economy of the district. He discussed on his vision to develop the farmers status through introduction of new technologies.
3. The head of KVK opined that poultry, mushroom, vegetable units will be started within a month in the KVK campus for the benefit of others.
4. Discussion was held on popularization of Kadaknath breed poultry bird. KVK has put an indent of initial supply of 100 birds at CPDO, Bhubaneswar.
5. All the Government schemes will work in KVK adopted villages to make them models.
6. District fishery officer is requested to find out the scope of fingerlings production in the KVK water harvesting structure.
7. The RSETI, Deogarh will also carry out training programme for offseason vegetable cultivation. KVK will help the organisation in that regard.

The meeting ended with thanks to the chair.

Senior Scientist and Head
